

TRADE SHOWS / EXHIBITIONS

HVAC Asia 2010

Date: 1-09-2010 to 03-09-2010
Venue: Marina Bay Sands, Singapore
 The 8th International Exhibition on Heating, Ventilation, Air-Conditioning, Refrigeration, Air-Filtrations & Purification Systems in South East Asia.

FRIGAIR 2010

Date: 08-09-2010 to 11-09-2010
Venue: Expo Centre Johannesburg, NASREC, South Africa.
 Frigair is Africa's HVACR & R exhibition, will provide business with online matchmaking opportunities.

INTER COOL DUSSELDORF

Date: 12-09-2010 to 15-09-2010
Venue: Messe Dusseldorf, Stockumer Höfe, Dusseldorf, Germany.
 International Trade Fair Frozen Foods - ice Refrigeration

INTERNATIONAL FOOD TEC INDIA, MUMBAI

Date: 30-09-2010 to 03-10-2010
Venue: Bombay Exhibition Center (BEC), Western Express Highway, Mumbai.
 International Exhibition and Conference for food and beverages processing and also cooling and refrigeration.

AHR EXPO 2011

Date: 31-01-2011 to 02/02/2011
Venue: Las Vegas Convention Center, Las Vegas, USA.
 The International Air Conditioning, Heating, Refrigeration Exposition with its countless brand and designer products.

CLIMATIZACION 2011

Date: 22-02-2011 to 25-02-2011
Venue: Feria De Madrid, Madrid, Spain.
 The International Air-Conditioning, Heating, Ventilation and Refrigeration Exhibition.

ISH FRANKFURT

Date: 15-03-2011 to 19-03-2011
Venue: Exhibition Centre Frankfurt, Messe Frankfurt, Frankfurt, Germany.
 The ISH Frankfurt is one of the reputed event for sanitation, heating and air-conditioning sector.

PRESIDENT WRITES

Dear Members,

The last six months have been very exciting at AIACRA. Several interesting and important activities have taken place, and I would like to highlight these for all our members.

AIACRA has once again become the supporting partner for ACREX INDIA, 2011, which will be held early next year at New Delhi from 24th to 26th February, 2011. Our immediate past president Mr. Rajendra Mittal, has successfully managed to book over 1200 sqm of space at the expo on behalf of AIACRA.

AIACRA has also signed an Agreement with Global Cold Chain Alliance India (GCCA) for ICE INDIA EXPO, 2010 which will be held on 12-13 November, 2010 at New Delhi. This entitles all AIACRA members to a special discount for participating in the 2nd ICE INDIA EXPO, 2010 which is a leading cold chain and business networking exposition.

AIACRA is currently in dialogue with CII for becoming a supporting partner for AGRO TECH / FOOD TECH 2010 to be held on 3-6 December, 2010 in Chandigarh.

AIACRA has also successfully started compiling of the AIACRA Directory, 2010 which will be launched within this year as the most comprehensive Member Directory representing all our members and Zonal Association Members for circulation nationally and internationally.

It is a pleasure to announce that twelve new members have joined AIACRA during the past six months from various fields in the Refrigeration and Air-conditioning industry. Our total membership strength slowly but steadily now becomes 1034 members.

This year again AIACRA took a delegation to

CHINA REFRIGERATION, 2010 at Beijing, China. I personally had the pleasure to lead this AIACRA delegation which had 55 members and all of us were given a very warm welcome by the Chinese Associations. All delegates were treated as VIP's and the visit to the expo was very motivating and useful to every participant. Once again AIACRA successfully took interested members to this exceptional international event attended by visitors from all over the world.

As we all may be aware the Government of India has introduced several schemes and subsidies for the growth of the Cold Chain Industry in our country. Minimum technical standards are presently being formulated for implementation in the cold chain sector.

Refrigeration and Air-conditioning, as we all know, continues to be a high growth and crucial industry in our country. The favorable environment being created by the government of India for the growth of our industry is showing positive results. There is also a strategy formulation taking place at the Ozone Cell for the accelerated phase out HCFC's in India by 2013. Companies affected will be entitled to financial assistance to cover incremental capital costs for the phase out. AIACRA is in discussion with the Ozone Cell to keep its members informed of the progress.

On behalf of Executive Committee of AIACRA, I thank the Zonal Associations and our esteemed members for all the support being given to our association. We look forward to continued interest and cooperation in building our association bigger and stronger to effectively address the growing needs of our esteemed members.

With warm regards,
Jagmit Singh
President, AIACRA

PROMOTIONAL SCHEMES OF MINISTRY OF MICRO, SMALL & MEDIUM ENTERPRISES

Mr. Rahul Maini, President of NIRATA, was invited for a meeting at office of MSME Development Institute, Ministry of Micro, Small & Medium Enterprises, Government of India. He attended the meeting with Mr. Brijesh Sharma and Mr. Prasen Datta, senior members of NIRATA. During the course of discussion the following scheme was recommended:

With an objective to strengthen associations, the Government launched a new scheme for "Capacity Building", strengthening of database and advocacy by Industry/ Enterprise" in accordance with the commitment of "Promotional Package." The highlights of the above

scheme are as below:

Name of Scheme: Scheme for Capacity Building, Strengthening of Database and Advocacy by Industry/ Enterprise Associations and Financial Assistance for Seminars/ Symposiums/ Workshops.

Proposal :

Associations play an important role in the public private partnership (PPP). It is proposed that financial assistance be provided to selected associations for the secretarial and advisory/ extension services (50% of the total sanctioned

amount of expenses on-Computers / furniture / Office Equipments / photocopier Machine / training of the staff / expenses on travel etc. up to a maximum of Rs.5.00 lakhs)

Scheme For :

- Assistance for Modernization of facilities for secretarial and Advisory/extension services is available only once in four years.
- Financial support for holding for Seminars/ Symposiums/ Workshops is available for an eligible association once in a year.

Eligibility of Association :

- Association should be a Micro & Small enterprises / Industries Association. Members of the association should be at least 300 for a National level association and State Level and District Level Association is 200 and 100 respectively.

Financial Assistance (Grant) :

- 50% of the total cost-Maximum Rs.5.00 lakh (in two installments)
- 75% of the total cost-Maximum Rs.1.00 Lakh for State/Regional/District Level Associations
- 50% of the total cost Maximum Rs.2.00 lakh for National Level Associations.

Contribution of the Association :

- Beneficiary associations will be required to provide the regular manpower and office space at their own cost and also bear equivalent/ matching contribution (50% of total cost. Max- 10.00 Lakh towards cost of the modernization of their facilities and equipment and training of their personnel.

CHINA REFRIGERATION 2010

CHINA REFRIGERATION 2010, one of the biggest trade show event in Asia was held on April 7-9, 2010 at New China International Exhibition Center, Beijing, China. The theme of 21st China Refrigeration Expo was on energy savings, environment protecting products, technologies and its applications. It also established itself as an excellent platform for displaying, trading and business networking for the HVAC & R industry globally. AIACRA had taken an impressive delegation of its 55 members under the leadership of Mr. Jagmit Singh, President of AIACRA, to the show. The show has received enormous success, very enthusiastic and tremendous response from the exhibitors, visitors & industry members from all over the world. All members of AIACRA delegation were received warmly, welcomed and treated as VIP's by the CAR Association. An exclusive built up stall was allotted to AIACRA by the organizers from where AIACRA Member's Directories, CD's and AIACRA Newsletters were circulated to visitors and exhibitors. The president of AIACRA was honored at the opening ceremony by China Refrigeration Organizing Committee for successfully participating in the exhibition with

prominent delegates every year. Feedback on China Refrigeration, 2010 Tour was received with great appreciation. AIACRA congratulates its constituents and members for the superb participation and response, and wishes that in future all its members do participate in such international expos that are organized from time to time, for maximum business benefit, promotion and networking in our industry.

9th AGRO TECH 2010 India's Premier Biennial Agro Tech & Business Fair 3-6 Dec 2010, Chandigarh, India

THEME: SUSTAINABLE AGRICULTURE

The mantra for sustainable and profitable growth of the Indian agrarian economy is the constant integration of skillful and innovative techniques into the entire food production system. To attain this objective, Confederation of Indian Industry (CII) is organizing Agro Tech 2010 as a link between technology holders and the user industry.

The event has seven focused concurrent shows with Food Tech 2010 featuring the best of domestic and

HONORING MR. RAJINDER MITTAL, IMMEDIATE PAST PRESIDENT OF AIACRA

Mr. Rajinder Mittal through his able leadership and guidance has been instrumental in growing AIACRA to new heights in the AC & R industry, nationally and internationally. The Executive Committee of AIACRA acknowledged that Mr. Rajinder Mittal has created a platform for future growth by generating substantial funds in the association. His guidance and support to the President, and EC, is of prime importance to continue the steady progress of AIACRA. In view of the immense contribution and efforts made, the EC was pleased to honor Mr. Rajinder Mittal and take note of his contribution to the association.

CHINA REFRIGERATION 2011

Initiated in the year of 1987, the International Exhibition for Refrigeration, Air-conditioning, Heating and Ventilation, Frozen Food processing, Packaging and Storage, China Refrigeration Expo, has become one of the largest and most successful global exhibition in our industry. China Refrigeration is an ideal marketplace for businessmen and professionals in the industry to launch the newest products and technologies.

As we all know, China Refrigeration is the largest HVAC&R trade show event in Asia for businesses to buy, sell, and build up a professional network. It is an annual grand occasion for AIACRA to take its 8th delegation to China Refrigeration 2011. As earlier, AIACRA will be taking a large member delegation with great eagerness and familiarity in association with Chinese RAC organizations. Kindly contact the AIACRA Secretariat for booking / travel arrangements, and further information on AIACRA delegation to China Refrigeration 2011.

...Continued from page 1

ICE INDIA EXPO 2010

make it even bigger. The event will be held from **12-13 November 2010 at Ashoka Hotel, New Delhi.**

ICE India Expo will focus on the Cold Chain Industry including perishable cargo handling, perishable storage, cold chain equipment, cold rooms and refrigeration systems, cold storage machinery & services, environment & combustion control systems, heat exchanger coils, pack houses / cold warehousing, fresh fruits & vegetables, poultry and dairy, food processing, food packaging, financial institutions & banks, pharmaceutical, bio-tech and nutraceutical industry.

AIACRA this year has again become an active supporting partner of ICE India Expo, 2010. Members who are interested in participation may kindly contact AIACRA Secretariat for stall booking and further information on ICE India Expo, 2010.
